ENGINEERING DEPARTMENT

BUREAU OF SANITARY ENGINEERING, BANGALORE.

Abstract Notification dated 27th January 1937.

The attention of the public is hereby invited to the notification, dated 26th January 1937, calling for tenders for the work of constructing drains in Goribidnur Town published in pages 156-157, Part VI of the *Mysore Gazette*, dated 4th February 1937.

The last date of receiving tenders is fixed on 19th February 1937.

Notification dated 30th January 1937.

Notice is hereby given that sealed tenders will be received at the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, up to 1 P.M., on 27th February 1937, for constructing drains in Tumkur Town. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by June 1938.

2. The plans, detailed estimate and conditions may be seen at the Sanitary Engineer's Office between the hours of 11 A.M. and 5 P.M. on all office days.

3. Tenders should be submitted on printed forms which may be obtained from the Sanitary Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 7,735 in cash (no cheques will be accepted) as earnest money, and be superscribed "Tender for constructing drains in Tumkur Town," in default of which the tenders will be rejected.

5. The final acceptance of the tender will rest with the Director of Health in Mysore, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Sanitary Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Charges on account of scaffolding materials, implements for setting out, barricading, clearing site, supply of water, etc., that may be found necessary during execution will not be paid for separately but should be borne by the contractor.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the department or those fixed by the Sanitary Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of disputes about rates, quantities, measurements, quality of work, etc., and in all disputes of any kind, the decision of the Director of Health will be final and legally binding.

12. This department is not bound to give the whole work to the contractor who tenders lowest rates. In the interest of quick execution of work it may be splitted into different portions and distributed amongst two or more contractors at the lowest tendered rates.
